

O-Lynx Results Screen Guide

Additional Course information can include...

- Total course distance
- How many radios and their distance through the course.
- The course number.

The Class or Course being shown.

Runners still out on the course. Elapsed time since start shown.

(also shown on a green background)

Runners will move down the list of results as their time becomes greater than runners who have finished

Runner recently punched one of the radio controls on their course

Runner finished and showing current Position, Total time, and time behind leader

Mis-punched (missed a control)

Not yet started

Red Finish				
2.3km, 4 Radios@ 0.5,0.9,1.8,2.2km				
Pos	Name	Club	Total	Diff.
